

ISPA Summer Reading Incoming 9th, 10th, 11th, 12th Grade Honors & AP Language

Summer reading provides students with an opportunity for recreational reading, personal exploration, and continued intellectual growth. Miami-Dade County Public Schools recognizes the importance of ensuring that students continue to strengthen reading skills and develop a passion for reading beyond instructional requirements. Experience and current research support the idea that students who are actively engaged in reading throughout the summer demonstrate improved academic performance during the following school year.

The *Summer Reading Assignment* (2 BOOKS) is mandatory.
