You do not need to have attended any specific type of school, or taken advanced or college classes, to be accepted or succeed at TASS. - Because TASS is an experience in community living, we try to select students who are concerned for the well-being of others and who are flexible enough to enjoy the challenge of interacting with people from very different perspectives and experiences. - Selected candidates are interviewed in March or April by Telluride Association board members and program alumni. If you are selected for an interview, you will need to request a transcript and letter of recommendation immediately after you hear from Telluride Association about your interview.
